

## Graco® SnugRide® Click Connect™ 40

The SnugRide® Click Connect™ 40 is the only infant car seat that provides rear-facing protection for babies from birth to 2 years old, as recommended by the American Academy of Pediatrics. The infant car seat grows with babies from four pounds up to 40 pounds, so parents can keep their children rear facing longer, while making sure they stay comfortable as they grow.

### Quick Facts

**Price:** \$219.99 at Babies"R"Us

**Available:** Online and in stores at Babies"R"Us

**Colors:** Mena™ and Moonstruck™ fashions

### Features:

- 4 – 40 pound weight limit—a full 2 years
- Base adjusts with 8 recline positions for most leg room of any rear-facing car seat for baby comfort
- The Simply Safe Adjust™ harness systems allows parents to adjust the harness and headrest with just one hand to fit their baby's height as their baby grows, all without having to rethread the harness for extra convenience.
- Click Connect™ attachment which allows parents to easily transition their babies from the car seat to the stroller through a simple, but secure, one-step "click."

Available in two great fashions!

Moonstruck™

Mena™

### Introducing Graco's new Click Connect™ series!

The SnugRide® Click Connect™ 40 is the first infant car seat in Graco's Click Connect™ series of infant car seats and strollers, featuring the new Click Connect™ attachment which allows parents to easily transition their babies from the car seat to the stroller through a simple, but secure, one-step "click."

Adheres to the American Academy of Pediatrics recommendation.

American Academy of Pediatrics

"...toddlers are more than five times safer riding rear facing in a car seat. They should stay rear facing until 2 years of age."

GRACO  
SNUGRIDE® CLICK CONNECT™ 40  
rear-facing 4 to 40 lbs.

**NEWBORN to 2 YEAR**

newborn 4 lbs. 40 lbs. 2 years old

**BASE ADJUSTS FOR MOST LEG ROOM**
